SCHEDULING ORDER

On July 12, 2010, Vermont Marble Power Division of OMYA, Inc. ("Vermont Marble") filed a letter requesting an extension, until July 16, 2010, to the deadline for filing a stipulation and status report with a proposed revised schedule. Vermont Marble stated that it has reached an agreement with the Vermont Department of Public Service ("Department") and requested additional time to reach an agreement with Vermont Quarries Corporation ("Vermont Quarries"). Vermont Marble represented that Vermont Quarries had requested additional changes to the draft stipulation. Vermont Marble stated that if the parties cannot achieve resolution of all issues by the July 16 deadline, the parties will file a statement of those issues that have been resolved and any that remain unresolved. In addition, Vermont Marble stated that, by the July 16 deadline, parties will file a proposed revised schedule that addresses the settlement and resolution of remaining issues. Vermont Marble agreed to an additional extension to the seven-month deadline for a final order, pursuant to 30 V.S.A. § 227, for a period coincident with the schedule extension request.¹

I hereby grant the proposed schedule changes. The new deadline for parties to file a stipulation and status report with a proposed schedule is July 16, 2010.

1. The May 18, 2010, Scheduling Order indicated that Vermont Marble had agreed to a sixty-day extension to the seven-month deadline.

Vermont Marble did not indicate whether the parties jointly supported the schedule extension. Given that Vermont Marble did not indicate whether it had contacted the other parties about the proposed schedule changes, the Department and Vermont Quarries may if they wish file an objection to the schedule changes and request reconsideration of this Order. I remind parties that they should contact all other parties when proposing changes in the schedule for this proceeding.

SO ORDERED.

Dated at Montpelier, Vermont, this 14th day of July, 2010.
